

Patients 16 years and over are required to provide **two forms** of identification from **LIST A & LIST B**. Preferably one of these should be of a photographic nature; i.e. a passport, driving licence and the other should have the patients name and address on.

Patients aged 11 to 15 years are required to provide **one form** of identification from **LIST B**, this does not have to be photographic if one isn't available but does need to have the patients name and address on i.e. a letter from school or dentist.

LIST A

Current Signed Passport

Current Photocard Driving Licence

National Identity Photocard

Student Photocard Identity

Firearms/Shotgun Licence
