

So what's the best way to order my repeat prescription?

PATIENTS WHO HAVE A REGULAR REPEAT PRESCRIPTION CAN ORDER IN ANY OF THE FOLLOWING WAYS

ORDER ONLINE

Patients can order their prescription through SystemOnline 24hrs a day, 7 days a week. This is the quickest and easiest way to order regular repeat medication. Requests can also be made for non repeat items that patients take on regular basis.

Patients who use SystemOnline can also make and cancel pre-bookable appointments with the GP. To register for a SystemOnline account all patients need to do is attend surgery in person with proof of Identification.

TAKE THE REPEAT SLIP TO A PHARMACY

Morrisons, Boots, Whitworths, Wainfleet Chemist and Rowlands all visit the surgery in Skegness on a daily basis and will bring a patients repeat slip to the surgery for them. All patients need to do is drop their repeat slip into the pharmacy of their choice.

BRING THE REPEAT SLIP TO THE SURGERY

Patients or their representative can bring their repeat slip to either Skegness or Burgh surgery and put it in the prescription box. These are checked and emptied regularly through out the day.

VIA THE TELEPHONE

While we encourage patients to use an alternative method for ordering, prescriptions can still be ordered by calling the Prescription Line

IT IS IMPORTANT TO REMEMBER that however a patient orders their prescription it will still take 48hrs for it to be produced and sent to the chemist or be ready for collection.
